

DIRECTIONS FROM ANGERS AIRPORT TO DOMAINE DES VIGNES

Exit Airport and turn right onto the D766 towards BAUGE.

Stay on the D766 through Bauge following signs for NOYANT and CHATEAU LA VALLIERE.

After leaving Bauge, take the right hand turn onto the D58 signposted to MOULIHERNE.

Stay on the D58 through Mouliherne and picking up signs for VERNANTES.

When you reach Vernantes, take care, because it's a bit of a one-way system, but you should take a right fork with a Butchers shop on your left, and then you'll come to a T junction with a café/bar on your left. Turn left towards Noyant, and then immediately right towards Vernoil (just before this right hand turn you should have the Pelican Hotel on your left and a pharmacy on your right).

Continue towards Vernoil to a roundabout with Super U Supermarket on your left and go straight ahead into the village. As you reach the village, slow down, because you need to look for a very small street on your left signposted to PARCAY LES PINS (D53) – between a pharmacy and a café/bar.

Follow the D53 for approx 4km, passing a group of houses called Le Clos on a left hand bend, and then the road straightens out and you will drive through forest on both sides of the road. After a short distance you will see a long, stone, cream coloured cottage on your left set in the woodland. Turn left IMMEDIATELY after the cottage – you will see a small hand painted sign in the grass verge “gites domaine des vignes”.

Follow the lane until you come to the first house on the left with painted blue shutters.

You have arrived !
