

## CALAIS TO "Domaine des Vignes"

Take A16 motorway towards "ROUEN"

At Junction 23 (Abbeville) exit the motorway and join the A28 motorway to ROUEN.

When you reach Rouen, you need to look for signs for "LE MANS", which is a slip road that bends quite sharply to the right. (take care here because there are 3 or 4 exits very close together) Make sure you look for LE MANS.

This road will take you for a few miles through an industrial area and alongside a railway line. You will pass through several sets of traffic lights and you will finally come down to a roundabout with "Plastic Cows" which appear to be grazing happily !! Go straight ahead at the roundabout, to the 2<sup>nd</sup> roundabout, and straight ahead again. Now move to the right hand lane, and after approx 500 mts take the exit for "LE HARVE" and the A13 motorway. Now follow signs for "MAISON BRULEE" exiting after approx 5 or 6 miles at junction 25 signposted for ALENCON (A28 motorway).

Follow the A28 to Le Mans, exiting at the sign for NANTES/ANGERS, joining the A11 motorway. After approx 110km leave A11 to join A85 motorway signposted to SAUMUR.

Leave the A85 at junction 3 for Saumur.
