

# MARKETS...

**MONDAY** If you find one tell us !!

**TUESDAY** Bourgueil

This is a lovely little market town, and well worth a look. Sit outside Micky's bar with the locals and enjoy a glass of beer or a coffee and watch the world go by, before shopping for the freshest of local produce.

**WEDNESDAY** Savigne sur Lathan

**THURSDAY** Le Lude

**FRIDAY** Noyant

**SATURDAY** Saumur

This is the best one ! Stalls and stall of clothes down by the river, and fresh produce spilling over from Place St Pierre into the pedestrian area. Sample the wild boar sausage and the locally produced cheeses, and take a tippie in the square and watch the locals doing their weekly shop ! Wonderful !

**SUNDAY** Langais

Almost as good as Saumur. We recommend having a coffee or tea and pastries in the little Salon de Thé opposite the entrance to the chateau.
